

Cultural Immersion (3D/2N)

3 DAYS/ 2 NIGHTS

DAY 1:

SUR

- Located less than two hours from Muscat, Sur is a great place to visit thanks to its rich cultural heritage. Sur is home to the last remaining **Dhow yard in Oman**, where visitors have the unique chance to witness how traditional Dhows are made by hand.
- Close to the Dhow factory, the **Sur Maritime Museum** focusses on the city's maritime history as trading and Dhow building center.
- Traveling in the direction of the lagoon, visitors can see **Al Ayjah** and its lighthouse overlooking the sea.

DAY 2:

ASH SHARQIYAH SANDS

Head towards Sharqiyah Sands and the town of Bidiyah, which is a great place to start a desert excursion. Local tour operators offer day-long excursions into the desert by **4WD vehicle** or camel. Truly an unforgettable experience.

DAY 3:

NIZWA

Home to **Nizwa Fort** and **Souq** – both of which are attractions in their own right. With its massive circular watchtower and interior living spaces, this is a great example of an Omani fortification. The fort is surrounded by a sprawling souq, where visitors can spend hours bargaining for local pottery, handicrafts and jewelry.

The **wadi and village of Tanuf** is a 20-minute drive away from Nizwa Fort. Here you can explore old ruins and walk along the river before setting out for your return to Muscat.
