

Family Excursion (3D/2N)

3 DAYS/ 2 NIGHTS

DAY 1:

BIG BUS CITY TOUR

Double decker buses are always fun, especially if they offer a hop-on- and hop-off service that stops at most Muscat landmarks. Stops include the **Sultan's Palace/The National Museum, Shatti Al Qurum** close to **Qurum Beach** and other attractions.

DOLPHIN WATCHING

The afternoon can be spent watching dolphins frolic in the sea, followed by a beautiful sunset Dhow cruise starting from Marina Bandar Al Rowdah or Al Mouj Muscat.

DAY 2:

MUSCAT TO KHASAB

A high-speed ferry travels from Muscat to Oman's northernmost region – **Musandam**. Take the opportunity to sit back and relax. Alternatively, flights are available.

KHASAB

Once in Khasab, this port town is just the starting point for a number of fun-filled activities, including mountain biking in the surrounding mountains or a Dhow cruise. There is no better way to explore Musandam's many fjords and attractions, such as **Telegraph Island**, than by boat, which also gives one the opportunity for **dolphin watching, snorkeling** and **swimming**. The coastal village of **Kumzar** is best reached by boat and has its own language – special permission is required to stop here.

DAY 3:

KHASAB TO MUSCAT

Return to Muscat using the high-speed ferry or by air and relax on the way. Once you arrive, take the opportunity to visit **Old Muscat**, the area of Muttrah, where you can walk the picturesque corniche and purchase souvenirs from the traditional souq.
