

MULU UNESCO RAINFOREST & CAVES ADVENTURE

A nature-led journey into one of Borneo's most remarkable cave and rainforest landscapes.

Key selling points: UNESCO World Heritage landscape, monumental show caves, bat exodus, rainforest biodiversity, river travel and engagement with the local Penan community.

Operational note: Guided cave tours and the Canopy Skywalk should be reserved. The bat exodus is weather-dependent, and tour timings must follow the park's confirmed operating schedule.

DURATION	DESTINATION	PRIMARY FOCUS	IDEAL FOR
4 Days / 3 Nights	Gunung Mulu National Park	Nature and soft adventure	Nature lovers and photographers
PREFERRED AIRLINE PARTNER: AIRBORNEO			

AirBorneo should be prioritised in the proposed package to strengthen Sarawak-based connectivity and provide a consistent journey into and within the destination.

ROUTE	PREFERRED CARRIER	PACKAGING GUIDANCE
KUL or SIN - Kuching (KCH)	AirBorneo	Use Kuching as the sole gateway for Mulu. Allow sufficient connection time or arrange a gateway overnight where required.
Kuching (KCH) - Mulu (MZV)	AirBorneo	Required inbound Mulu sector. Package activities around the confirmed AirBorneo arrival time.
Mulu (MZV) - Kuching (KCH)	AirBorneo	Required outbound Mulu sector before any onward flight from Kuching to Kuala Lumpur or Singapore.
Kuching (KCH) - KUL or SIN	AirBorneo	Recommended onward sector after returning from Mulu, subject to a safe connecting time.

Mandatory Mulu routing: All Mulu sectors in this itinerary must operate from Kuching to Mulu and return from Mulu to Kuching. Connections through Miri or Kota Kinabalu are not proposed.

PROPOSED DAILY PROGRAMME

DAY 1 | AIRBORNEO VIA KUCHING TO MULU

Morning: Travel on AirBorneo from Kuala Lumpur or Singapore to Kuching, then connect exclusively from Kuching to Mulu on AirBorneo. Meet-and-greet at Mulu Airport and transfer to the selected accommodation.

Afternoon: Complete park registration and explore an easy rainforest trail such as the Botanical Heritage Trail, subject to arrival time and local conditions.

Evening: Optional guided night walk to discover the rainforest's nocturnal wildlife.

DAY 2 | DEER CAVE, LANG CAVE AND BAT EXODUS

Morning: Leisurely morning at the park or optional Canopy Skywalk, subject to advance reservation and confirmed timing.

Afternoon: Join the guided walk to Lang Cave and Deer Cave to experience vast limestone formations and underground landscapes.

Evening: Proceed to the bat observatory for the bat exodus at sunset, subject to weather conditions.

DAY 3 | PENAN COMMUNITY AND CLEARWATER SYSTEM

Morning: Travel by longboat and visit the Batu Bungan Penan settlement and handicraft market.

Afternoon: Continue to Wind Cave and Clearwater Cave. Enjoy a picnic lunch and leisure time by the Clearwater River before returning to the park.

Evening: Optional guided night walk or evening at leisure.

DAY 4 | AIRBORNEO FROM MULU VIA KUCHING

Morning: Enjoy a short self-guided trail or relaxed morning around the park, depending on the confirmed AirBorneo schedule.

Afternoon: Fly on AirBorneo from Mulu to Kuching. Continue from Kuching to Kuala Lumpur or Singapore, or include a gateway overnight when required.
