Tuesday
Day # 1

Granada/ Málaga - Guadix

Arrive in the morning to Granada or Málaga in Andalucía region.

Travel to [Granada Geopark](#), a territory with a spectacular landscape and one of the best continental geological records of the last 5 million years. Among other treasures, this record contains the most complete set of fossil remains of the now extinct large mammals that lived during the Quaternary Period (the last 2.5 million years of the Earth's history, when humanity appeared on the planet).

In the evening, enjoy cultural visit around the historic centre of Guadix, visiting the picturesque cave homes neighborhood with its viewpoint.

Guadix, a natural path between Levante and Andalusia, is one of the oldest human settlements in Spain. The troglodyte habitat is certainly developed in Guadix and cave-dwellings characterize districts such as: Ermitas and Cuevas.

This monumental town preserves interesting historic-artistic heritage like the Alcazaba (Moorish castle), listed as a National Monument, displaying 11th century towers with magnificent views over the valley and Sierra Nevada.

Stay 2 overnights in one of the cave homes or "casas cuevas"
[Cuevas del Tío Tobas](#) / [Cuevas del Zenete](#) / [Cuevas La Granja](#).

Wednesday Day # 2

Guadix (Gorafe)

Full day to enjoy active tourism.

Morning 4x4 or electric bike-hiking route through the Guadix Cave neighbourhood, Paulenca 'End of the World' viewpoint and the Valley of the Fortress Caves (Marchal and Cortes de Graena).

Afternoon in [Trópolis](#) situated in Alcudiva de Guadix, a unique viewpoint of Sierra Nevada and the Guadix area.

Enjoy wine tasting, thematic bread and pottery workshops.

In the evening, transfer to Gorafe to watch the sunset in the desert.

Enjoy astro tourism workshop at [Los Coloraos de Gorafe Complex](#), a place where the earth and the sky merge into an amalgamation of sensations, a place where you can find the cosmos at your fingertips.

Return for overnight in one of the cave homes or "casas cuevas"
[Cuevas del Tío Tobas](#) / [Cuevas del Zenete](#) / [Cuevas La Granja](#).

Thursday Day # 3

Guadix - Jaén (Aldeaquemada)

Travel to the province of Jaén. The varied geography of the province of Jaén offers the beauty of its natural landscapes, in which olive groves occupy two thirds of the cultivable land.

Travel to the village of [Aldeaquemada](#), situated to the north of the province, in Sierra Morena Mountains, on the border with Castilla la Mancha. Its mainly mountainous landscape is made up of mountains covered with abundant pines, oaks and other trees.

Within its district, we can find the Cimbarra Waterfall, a place of spectacular beauty due to its rugged slopes, the gallery forests along the river Guarrizas and its varied fauna.

It is also an important cultural meeting place due to the abundant cave paintings found in the Tabla del Pochico and in the crags of the Cimbarra.

Overnight in one of the rural houses in Aldeaquemada
[Aldehuela](#) / [Aldeilla](#) / [Cimbarra](#) / [Navalacedra](#)

Friday
Day # 4

Jaén (Aldeaquemada - Sierra de Andújar Nature Park - Marmolejo)

Morning travel to the [Sierra de Andújar Nature Park](#), located in the northwest of the province of Jaen, in the middle of Sierra Morena, just one step away from the city of Andujar.

It has an area of 74,774 hectares, and contains four municipalities: Andujar, Baños de la Encina, Villanueva de la Reina and Marmolejo.

It houses species with a high degree of threat such as the lynx, the wolf and the imperial eagle, which have one of their last settlements in these mountains.

A splendid place to enjoy water sports with low environmental impact such as pirogues, canoes, kayaks or pedal boats, in the reservoirs of this Park.

Overnight in Andújar or Marmolejo

Saturday Day # 5

Jaén

Travel to the [Oil Mill Aires de Jaén](#).

Enjoy oleotourism with all the senses. The authentic essence of Aires de Jaén is to gather in the same environment all the phases of olive oil production, beginning with the sea of olive trees until reaching the bottling factory.

At Finca Badenes, make a trip with the five senses that you will not be able to forget, from touching the field with hands to a few meters away being able to taste the best EVOO in a unique picnic area in the heart of nature.

Live a unique moment in a simple rural lodging at the Finca Badenes. They have five fully equipped flats to offer maximum comfort, you can enjoy an evening surrounded by olive trees and spend a night under the stars in the sky of an olive grove in the Spain.

A perfect complement to give the final touch to a different experience surrounded by an extensive olive grove.
